Improvements made during 1932 consisted of the building of a new sidewalk on Park St., grading for a sidewalk on Williams St., repairing sidewalks on School, East and West Streets, and constructing storm sewers on Ormsbee Ave., Warner Ave., and School St. Sections of the highway on Grove St., Warner Ave., and North St. were surface treated with Tarvia. We recommend that improvements along these lines be continued as rapidly as funds are available.

The question of widening the Marble Bridge and the Railroad Bridge was given careful study. It did not seem feasible to undertake this work during the past year.

Expenditures for the support of the poor show a little increase over the previous year. This amount would have been a great deal more had we not limited direct aid as far as possible to those who were physically unable to work. Others who required assistance were provided with work, a large share of which was of the "make-work" type. All of this work was under the supervision of the Highway Commissioner, and a large part of it was paid out of the highway account.

The construction of a sewer between Warner Ave. and Williams St., paid for by the Village was of material help in providing work.

To provide winter employment a project has just been started to improve the East Road south of the Double Road crossing.

The Town General Tax was reduced to 35c. The Treasurer's books show that the Town closed the year with a credit balance of \$2,543.92 in the General Account, a credit balance of \$404.02 in the General Highway Account and a credit balance of \$790.50 in the Permanent Highway Account.

The various Town Officers have endeavored to make their printed reports as concise and informative as possible.

The detailed items of the various accounts are on file with the Town Treasurer, and are available for inspection to any taxpayer.

J. F. Sherlock, 1933  
G. W. Howe, 1934  
N. C. Peterson, 1935  
Selectmen.

The three miles of Selected Highway No. 1 from Pittsford Town Line to Rutland Town Line was treated with a light coat of Tarvia, sanded and dragged at a total cost of \$1,304.89 towards which the State contributed \$869.93 and the balance of \$434.96 was paid by the Town.

A portion of Selected Highway No. 2 known as the West Road was resurfaced with gravel at a cost of \$415.65, shared \$277.10 by the State and \$138.55 by the Town.

Another portion of Selected Highway No. 2 was regraded and treated with two coats of Tarvia at a cost of \$503.08 with State aid of \$468.12 and the Town paying \$34.96.

Tarvia was applied also to a part of Warner Ave. and Grove Street which were very difficult and expensive to maintain with gravel. The cost was \$578.95 all paid by the Town.

A large amount of gravel has been used throughout the year in maintenance of our streets and roads and the usual application of Calcium Chloride was given to the most traveled portions. The cost of this work is now paid by the Town without State aid.

The southern end of the West Road received most of the Unselected Road work again, grading, ditching and resurfacing, at a cost of \$615.29 of which \$527.50 was State aid.

The necessity for winter maintenance of roads has added to highway expenses which would have been much greater but for the mild winters. However, snow removal and sanding cost \$440.07 towards which the State paid \$54.44.

As usual, a certain amount of extra work is done by the highway department with funds furnished by the Selectmen. The work this year consisted of grading for sidewalks and sidewalk repairs, and improvement and extension of the drainage system. \$1,333.17 was spent and refunded by the Selectmen.

The Town owns one heavy and one light road machine. Both have seen much service, but with care and some repairs can be used another season. The two sidewalk plows are still servicable. Trucks and other equipment are hired as needed. Hand tools are furnished by the Town and replaced as worn out. Only the required supply is on hand and are quite worn.

A few tons of Calcium Chloride are on hand for use in ice removal and emergencies.

State Aid work on School Street	\$ 769 33
Balance to 1933	790 50
	<hr/> \$ 1,559 83

The proposed work on the Florence Road was not done as it was impossible to secure the use of an air compressor in time. A new project of under drains on School St. was substituted by placing 340 feet of 6 inch perforated pipe on the North side. About one hundred feet more of pipe is on hand and paid for ready to be placed where conditions in the spring indicate it should be used. The State has approved a claim for \$441.63 to be paid toward this work.

D. R. Mahaffy,  
Road Commissioner.

**AUDITORS' REPORT.**

We have examined the accounts and vouchers of the Selectmen, Treasurer and Overseer of the Poor of the Town of Proctor, and the accounts of the Road Commissioner and of the Treasurer of the Proctor Free Library, for the year ending January 31, 1933. We have checked all the accounts showing income and expense back to the original source of entry and have satisfied ourselves that the same are correct.

The financial condition of the Town is as follows:

Bank Balance	\$ 3,738 44
Uncollected Poll Taxes 1931	3 84
Uncollected Poll Taxes 1932	17 75
Uncollected Property Taxes 1931	25 01

### HEALTH OFFICER'S REPORT.

There were only two contagious diseases that appeared in epidemic form during the past year. An epidemic of mumps which continued throughout the whole year and one of whooping cough which was prevalent in the winter and spring months.

The number of cases reported of each communicable disease and the number of families in which they occurred are given below.

	Cases reported	Families quarantined
Typhoid fever	1	1
Erysipelas	1	1
Chicken pox	4	2
Scarlet fever	7	6
Measles	16	6
Mumps	84	52
Whooping cough	84	34

Quarterly reports from the State Laboratory on samples of our village water supply have been satisfactory.

## W A R N I N G

The legal voters in Town Meeting of the Town of Proctor, Vermont, are hereby warned to meet at the Village Hall, in the Village of Proctor, on Tuesday, the 7th day of March, A. D. 1933, at 1:00 P. M., to vote on the following matters, to wit:

1. To choose a Moderator to govern said meeting.
2. To see if the Town will empower and authorize the Selectmen to appoint one or two Road Commissioners.
3. To choose the necessary Town Officers for the ensuing year.
4. To see if the Town will vote to raise more than twenty cents on the dollar highway tax as required by law.
5. To see if the Town will vote to raise money by taxation or otherwise to pay current expenses, the State flood tax, and the indebtedness of the Town, and to see when the same, and other taxes that may be voted, shall be payable.
6. To see if the Town will vote to accept the provisions of Sections 889 to 895, inclusive, of the General Laws, for the collection of taxes by the Town Treasurer.
7. To see if the Town will vote any compensation to Town Officers.
8. To see if the Town, under the provisions of Section 1463 of the General Laws, will vote to contract with the Proctor Free Library to furnish books to the inhabitants of the Town free and to appropriate money therefor.
9. To see if the Town will vote to authorize the Selectmen to borrow money for the temporary use of the Town.
10. To see if the Town will vote to defray expenses of surety bonds where bonds are required by law.
11. To see if the Town will vote to raise money in excess of the amount required by law to be expended in improving its highways and in accordance with the provisions of Section 4591 of the General Laws and amendments thereto.
12. To see if the Town will vote to appropriate money for the care and embellishment of the Riverside Cemetery; and if so, how much?
13. To see if the Town will provide for the laying of dust on the streets in the Village of Proctor by sprinkling or otherwise, and if so, to appropriate money therefor.
14. To transact any other business that may come before said meeting.

Joseph F. Sherlock,  
George W. Howe,  
Nathaniel C. Peterson,  
Selectmen.
